

Dear Potential Clients,

We appreciate the opportunity to provide you an estimate on a quality home inspection. We have been inspecting homes for over 17 years and completed more than 17,000 inspections. By using HomeGauge software, we are able to provide you quick, secure access to your detailed and thorough reports online. Should any questions arise regarding your report, we answer them promptly and professionally within 24 business hours. With six licensed inspectors on staff and one licensed general contractor we are able to meet your scheduling deadlines.

We also offer many other services to better help our clients! Check back with us on our website frequently for updates to our pricing and services. Thank you so much for considering Quality Home Consultants for your inspection needs. We look forward to working with you!
